Fellow Citizens and Taxpayers:

1986 was a very busy year. Construction of our sewer project started in May with the village contract. Park Construction Corp. completed approximately 90% of their contract before winter shut down. They will finish their remaining portion in the Spring months and finish final clean up and final paving. Scott's Construction started on the Lebanon pressure sewer line in November and have installed approximately 7000 feet of the piping on Fisherman's Road in Lebanon before winter shut down.

The last contract, #2, is for the middle section, Route 4A from the Mascoma dam back to the village side of Shaker Bridge and 4 pump stations. It was bid out and Scott's Construction is the low bidder. Additional funding is necessary to finish the project; we must approve an additional expenditure appropriation of \$1,313,726 to request the additional federal and state funding to finish the project. The appropriation warrant article is written in such a way, according to our Ropes and Gray of Boston, that in the event funding was not received the town "would not be on the hook" for the appropriation. With the funding approved, work on this contract should begin in the Spring. Traveling on Route 4A from Shaker Bridge to Lebanon next summer should be avoided, if possible. We are anticipating the project to be operational and allowing hook-ups in mid 1988. Your cooperation, patience and indulgence on this project is appreciated.

An article on the warrant this year is requesting approval for the Selectmen to issue refunding bonds for the 1983 water improvement project. This would produce savings to the water users of approximately \$500,000 over the next 30 years. We plan to utilize lower interest rates to pay the principle back over a shorter number of years.

We have a warrant article requesting \$10,000 towards the Town Clock placement on Whitney Hall. This article is supported by the Selectmen and Budget Committee. Please see the Town Clock Report for further information.

We are also requesting authority to borrow 1/2 the cost of a new six wheel dump truck, to be repaid in 1988. Our newest truck is a 1980 and our oldest "everyday" dump is a 1975. This is a continuation of our Capital Equipment Program.

We would also like to take this opportunity to remember Jim Collins, who died in 1987. Jim worked as a volunteer in many Enfield organizations all his life; his latest capacity was Civil Defense Director.

We hope citizens will become involved with our various committees to help find or implement solutions to questions or problems important to us all as Townspeople and Taxpayers.

Your interest and involvement in the community is appreciated.

WARRANT FOR TOWN MEETING  
STATE OF NEW HAMPSHIRE

GRAFTON S.S.

TOWN OF ENFIELD

To the inhabitants of the Town of Enfield qualified to vote in Town affairs:

You are hereby notified to meet in the Enfield Elementary School in said Town of Enfield on the TENTH day of March next at ten o'clock in the forenoon, 1987, to act upon the following subjects:

Polls will open at ten A.M. and will not be closed before eight P.M.

Articles in warrant will be taken up beginning at seven P.M.

ARTICLE 1. To choose by ballot to serve for:

Five years:	1 Zoning Board of Adjustment member
Three years:	1 Selectman
	1 Town Clerk
	1 Treasurer
	1 Trustee of Trust Funds
	2 Recreation Commission Members
	1 Library Trustee
	1 Fire Ward
Two years:	1 Recreation Commission Member
	1 Auditor
One year:	1 Recreation Commission Member
	1 Auditor

ARTICLE 2. To see if the Town will vote to appropriate and expend a sum not to exceed \$446,000 for the purpose of refunding the water improvement program bonds as voted September 28th, 1982. Such appropriation to be raised by issuance of refunding bonds or notes to an amount not to exceed \$446,000 pursuant to the Municipal Finance Act, RSA 33 and especially section 3-d (Refunding Bonds); to authorize the Selectmen to determine the details of such bonds or notes and provide for their sale.

Note: This article is required for the Town to issue refunding bonds to take advantage of lower interest rates producing vast savings over the next 20-30 years.

ARTICLE 3. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes, as provided under RSA Chapter 33.

ARTICLE 4. To see if the Town will vote to authorize the Selectmen to sell or lease any or all parcels of real estate acquired by the Town through Tax Collector's deed for non-payment of taxes, or any or all parcels not in public use; and to authorize the Board of Selectmen to execute and deliver in the name of the Town suitable deeds or leases of such real estate. The Selectmen may sell any real estate acquired by a Tax Collector's deed to the person to whom the taxes were assessed, at private sale; but all other sales shall be by public sale, such public sale to be advertised by suitable public notice.

ARTICLE 5. To see if the Town will vote to authorize the Selectmen to make application for and to receive and expend, in the name of the Town, such gifts, advances, grants-in-aid, Federal Revenue Sharing Funds, HUD, EDA, EPA, FHA, BOR, N.H. Highway Safety, or other funds for any Town purposes as may be forthcoming from the United States Government, the State of New Hampshire, or any other Federal, State or local agency or person.

ARTICLE 6. To see if the Town will vote to authorize withdrawal from the Revenue Sharing Fund established under the provisions of the State and local assistance Act of 1972 for use as set-offs against Budget Appropriations in the amounts indicated; and further to authorize the Selectmen to make pro-rata reductions in the amounts if estimated entitlements are reduced to take any other action thereon:

1987 PROPOSED USE OF  
REVENUE SHARING FUNDS

12/31/86 Fund Balance	\$120.96
Anticipated Interest	<u>9.04</u>
Total Anticipated Available	\$130.00

Revenue Sharing Use:	
Gallion Grader Note	\$130.00

ARTICLE 7. To see if the Town will vote to raise and appropriate an additional sum not to exceed \$1,313,726 for the purpose of constructing sewerage and sewage treatment facilities which are requirements contained in the federal Water Pollution Control Act, as amended (33U.S.C. 1251 et seq.) and will qualify the Town for additional federal funds. The local/state share to be raised by the issuance of serial bonds or notes as voted on August 11, 1983 (Article 1, "Not to exceed \$1,579,000 under the provisions of the N.H. Municipal Finance Act, Chapter 33) and to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and take other actions as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interest of the Town of Enfield, N.H., and to allow the Selectmen to apply for and expend such monies as become available for the project from any source, including the Farmers Home Administration, Federal Government under the Financial Assistance Program of the Construction Grants section of the Federal Water Pollution Control Act, as amended (33 U.S.C. 1251 et seq.)

or later revisions or any other federal or state grant program; provided that no money shall be appropriated or spent under this article unless the Town receives agreements providing for federal and state participation in an amount not less than \$1,175,000 and pass any vote relating thereto.

ARTICLE 8. To see if the Town will vote to instruct the Town's Representatives to the General Court to take all necessary measures to insure that no low level radioactive waste from the Seabrook nuclear plant, shall be stored or disposed of within this Town of Enfield unless and until the proposed site of the proposed storage or disposal has been approved by the voters of the Town at the annual Town Meeting by written ballot.

ARTICLE 9. To see if the Town will vote to authorize the borrowing of an amount not to exceed \$22,500 under the provisions of the Municipal Finance Act, RSA Chapter 33, with the principle and interest to be repaid in 1988, for the purpose of purchasing a new 6 wheel Dump Truck.

ARTICLE 10. To see if the Town will vote to raise and expend \$10,000 (as included in the Capital Outlay Budget) for the reconstruction of the Town Clock on the Whitney Hall tower.

ARTICLE 11. To see if the Town will vote to adopt the budget and raise and appropriate the various sums recommended and posted by the Budget Committee or act thereon.

ARTICLE 12. To see if the Town will vote that if the purpose or objects hereinafter designated, for which appropriations for the year 1987 may not have been fully accomplished during the fiscal year, the funds so appropriated or unexpended on the unfinished portion of such object shall be placed in a Capital Reserve Fund, dedicated to the purpose or object of its conception, until such time as the Board of Selectmen, acting as agents of the Town shall have the opportunity or occasion for fulfilling or completion of the purpose for which said appropriation was created.

The specifically designated purposes are as follows: Police Cruiser, Municipal Buildings, Ambulance, Water Dept., Whitney Hall and lot sales for Lakeview and Lockhaven Cemeteries.

ARTICLE 13. Pursuant to a petition of ten or more legal voters: To see if the Town would vote to allow David and Judy Crate to construct no more than a 9 unit Mobile Home Park. Mobile Homes will consist of no more than two bedrooms. Contingent upon all other Town and State approvals.

ARTICLE 14. To hear the reports of agents, auditors, committees or any other officers heretofore chosen and pass any vote relating thereto.

## CERTIFICATE OF AUDIT

We have examined the records of the Board of Selectmen, Public Library, Trustees of Trust Funds, Town Clerk, Town Treasurer, Tax Collector, Overseer of Public Welfare and Revenue Sharing Funds for the Town of Enfield, New Hampshire; including statements of Revenue, Appropriations, Encumbrances, Payments, Unobligated Funds and other records deemed necessary to define transactions for the year ended December 31, 1986.

The examination was made in accordance with accepted auditing principles applied on a basis consistent with preceding years; and accordingly included tests of the accounting records and other auditing procedures considered necessary during the review.

In our opinion, the records and statements presented represent an accurate account of transactions and financial condition for the year ended December 31, 1986.

## REPORT OF POLICE DEPARTMENT

The Department continues to improve it's proficiency in our changing society by a vigorous training program. During this report period, officers successfully completed programs at the Federal Bureau of Investigation National Academy and the New Hampshire Police Academy. In addition to the formal training, our monthly in-service programs have provided needed instruction in a variety of skills. Emphasis at these sessions continues to be placed on emergency first responder training. An extension to this training followed when both police vehicles were updated with new emergency equipment. The equipment, in the form of oxygen systems and fire extinguishers, will assist the officers in emergency situations prior to the arrival of our specialized volunteer forces.

Our activity, with the exception of service calls, was consistent with previously reported years. It appears that our growing population has generated an increase in service calls. During busy periods, it was necessary to prioritize calls, with some responses to service calls being delayed. We realize the importance and necessity of service calls and will continue a concerted effort to promptly attend to such matters.

As in other communities in our Nation, we are becoming aware of the spread of cocaine abuse. With our investigative resources and the cooperation of our truly outstanding educators, we will diligently continue our efforts to abate this problem. Alcohol related offenses continue to head the list of lifes evils in a small town. The drunk driver problem gets worse instead of better. It is numbing and extremely frustrating. In too many cases, drunk driving is not a lapse of judgement, but rather a contemptuous disregard for others. Sixty-six DWI arrests were made in our small community during this past year.

Again, it was a pleasure to serve the Town of Enfield. We welcome your input, comments, and suggestions. Please stop in the station or give us a call should you have any concerns.

## ENFIELD FAST SQUAD REPORT

Enfield FAST Squad has been in service 10 years now and currently has 15 active members including 2 paramedics. The new ambulance has been a welcome addition this year and was put into service on 5/14/86. There is much more space inside for equipment storage and patient care as well as easy access to equipment on the outside. The ambulance went out on approximately 139 runs this year with 26 of those being motor vehicle accidents, 32 were accidents around the home or on recreational vehicles, and the rest were medical emergencies of different kinds.

The members continue to keep up with their skills and knowledge with monthly training sessions, guest lecturers, and monthly critiques held at Mary Hitchcock Memorial Hospital. Some of these programs have included backboarding, splinting, shock and hemorrhage, emergency childbirth, pediatric emergencies, oxygen and airway use, cold weather emergencies, and CPR.

We purchased a new portable radio to be used by some members living a distance from the station so as to be in communication with the ambulance crew or the dispatch. All the FAST squad members are volunteers and spend 3-5 twelve hour shifts a week on call and many hours in training to keep up their certifications.

We have been fortunate to have received memorial gifts to help finance training programs and purchase equipment. We are constantly looking for new members to lighten the burden and to provide more service to the community. Anyone interested can contact any of the members mentioned below.

Respectfully submitted,

Sharon Markowitz R.N.  
Vice President

## ENFIELD RECREATION COMMISSION

Swimming. Swimming lessons for the Enfield children were sponsored at the Enfield Town Beach for the 1986 summer season. Lifeguard coverage was maintained from mid-June through early September 1986.

Old Home Day. The 225th birthday of Enfield was celebrated by over 400 people on Saturday, August 23rd. Old Home Day started at 11 am with the PTA's pie contest. Rainbow Sprite and Lurky paid a visit shortly afterwards and passed out lollipops and souvenir ballons to the children. A contest for a design to use on the souvenir T-shirts was sponsored and won by Rosalie Cass. The T-shirts were available for sale during the day. A birthday cake was made and donated by Barbara McKinley. Local organizations participated and included the Maples Lending Library, REACT, the Canaan Lioness Club with their popcorn machine, and the Lions Club hosted a barbeque of hot dogs and hamburgers with soda to drink. Two clowns provided entertainment. Martha Ladam was busy with facepainting the kids. A bike parade began at 1 pm and there were several bikes, trikes and Big Wheels for all to view. Children's games were held and Charley Harrington gave several rides for the kids on his antique fire truck. The new FAST ambulance was on display. There were 12 craft tables for everyone to browse through and Andy Langley had a stained glass demonstration. Seven teams entered the Horseshoe Tournament. A line quickly formed at the Dunking Tank when several local personalities took their stand. A good time was had by all!

Halloween Party. The Commission and the Enfield Fire Department held a Halloween Party for the Enfield children on Saturday evening, November 1st. About 75 children with numerous parents were at the Enfield Fire Hall, complete with Halloween costumes. Francis Bill made three trips with his tractor and wagon, giving everyone a hayride around the Town. When not on the hayride, everyone was trying their best to bob for apples. A parade of all the costumed folks was made and prizes awarded. Cider and doughnuts were available for all to eat. Each child went home with a small bag of candy.

Ski Lessons. The Commission sponsored five weeks of ski lessons for Enfield residents at the Whaleback Ski Area. There were 29 people who participated in the ski program held during February and March, 1987.

Respectively submitted,

Terry Chase  
Beverly McKinley

## ENFIELD PLANNING BOARD

During 1986 the Planning Board approved 10 Major Subdivisions, 10 Minor Subdivisions, 9 Site Plan Reviews, 7 Exclusions, and 1 Home Occupation. There were 47 new building lots created through subdivisions and exclusions. Also approved were 149 condominiums, 135 to be located at Lakeview Condominiums and 14 at Lower Shaker Village.

The Site Plan Review Regulations were updated. The final public hearing for them, at which they were formally adopted, was held on September 24, 1986. The Regulations authorize the Board to review, and approve or disapprove, site plans for the development, modification, or change(s) of use(s) of tracts for nonresidential uses and for multi-family dwelling units (including condominium ownership).

The Upper Valley-Lake Sunapee Council greatly assisted the Board with the revisions to the Site Plan Review Regulations and will continue to aid the Board with revisions to the Subdivision Regulations. Also the UV-LS Council conducted traffic and fire protection impact studies for the Lakeview Condominium development.

The Board wishes to thank Jane Plumley for her extensive work on the revisions to both the Site Plan Review and Subdivision Regulations. Jane's commitment and assistance is greatly appreciated.

## ENFIELD PUBLIC LIBRARY

A number of improvements can be noted for 1986. These include the replacement of an eighteen year old projector with a newer model. The purchase of a used microfilm reader will provide patron access to back issues of the Valley News. Nearly fifteen feet of new shelving was installed in the Relief Corps. Room. Although near capacity it has helped the shelving shortage.

"Not for Children Only" was the theme of an adult discussion program that attracted a steady group through the winter months. This was funded by the New Hampshire State Library, A.L.A. and the Council for the Humanities. As many as twenty-seven were in attendance at the August pre-school story times. During September we were very pleased to have an exhibit of original drawings by Harry Nichols of East Hill. In addition to classroom visits the library also provided service to the Adult Day Care Program at the Mascoma Home Health Services, Silvaray Inn, Daisy Girl Scouts, Boy Scouts and the Mascoma Cooperative Preschool.

Approximately six hundred new volumes were purchased for the collection with additional materials added through the generosity of patrons. A gift from the Mascoma Valley Snowtravelers enabled the purchase of a particularly fine book for the Shaker Collection. The continued support of this organization is much appreciated.

A special note of thanks to Barbara Mathewson who organized the Friends of the Library annual book and bake sale. Shelving guides were purchased for the new bookcases with a portion of the proceeds. To the many individual "Friends" who have volunteered their time to help with the school children my personal thanks for your assistance.

In closing, this year has been one of our busiest. Increased awareness and use of the library and its services continues. As this utilization accelerates it is evident that double staffing, more books and additional space will soon be needed. These concerns will need addressing in a serious manner before long.

Marjorie A. Carr  
Librarian

## ENFIELD HISTORICAL SOCIETY

Ten years ago a group of people gathered to form the Enfield Historical Society. Since then the Society has grown to a membership of approximately one hundred.

In the course of ten years the Society has acquired the Lockehaven Schoolhouse as a gift from Mr. and Mrs. Harry Nichols and Mr. Wilson Roberts. The Enfield Center Schoolhouse was a gift from the Ernest Workers Club.

The Lockehaven Schoolhouse is located on East Hill Rd. and is staffed by historical society members. It is open from the first Sunday in June through the first Sunday in October and is admission free.

The Enfield Center Schoolhouse is used for occasional meetings and is currently under restoration. To date interior and exterior painting, window replacement, chimney replacement, and a portion of the re-wiring has been completed. Additional work remains. The Society's long-range goal is that this building will eventually house a general historical museum for Enfield.

Last winter the formation of a committee to write and hopefully publish the History of Enfield was established. While the research is extensive the project is progressing in a timely manner.

In closing, the Executive Board and the membership extend a cordial invitation to all who might be interested in joining the Society. Additional information may be obtained at the Enfield Public Library or from Harry Auger, Treasurer at 632-4950.

MASCOMA HOME HEALTH SERVICES, INC.

The staff and board of Mascoma Home Health Services has been very active this year responding to the many changes that are occurring locally and nationally in the health care field. Cost of health care has become an issue at all levels. The need to operate efficiently and effectively has never been more important than now, with the marked reductions in State and Federal funding for health care and the increase in the numbers of people of all ages in need of community health and support services.

The primary goal of the home care program is and has been to keep individuals out of costly institutions by maintaining them safely and independently in their own homes. This program is staffed by nurses, therapists, home health aides, homemakers and a social worker.

Child health services are primarily for prevention and intervention of problems that may arise in early childhood. This program now includes parent aides to assist families with parenting skills, also a "Mother for Mothers" volunteer network to provide reassurance to new mothers in need of support. The traditional well child clinics held monthly have an enrollment of 180 children. All of these services have reduced the need for acting on crisis situations which are costly and disruptive to family life.

In an effort to reduce the overhead costs of operation, Mascoma Home Health Services has made an arrangement with the Mascoma Pediatric Group in Canaan to share office space and associated expenses including clerical staff. This effort complements the efforts of both groups and strengthens health care services in the community.

We feel that we have been most fortunate to have your support for all of the programs that we provide. The financial assistance that we have received from you has helped to stretch other funding which is passed on in care to patients and individuals in need of help who otherwise might go without.

We look forward to working with you again this year.

Lodged at Headrest	18	Collaboration	7
Lodged Elsewhere	0	TOTAL SITUATIONS	222

Twenty-four hours a day, each and every day of the year, Headrest staff and volunteers are available to provide the following services:

**INFORMATION:** Whenever you have a question or problem and are not sure where to turn, call Headrest. We have information about local services and agencies, consumers' and tenants' rights, drugs and alcohol, and much more.

**REFERRALS:** We can guide you to the person or place best able to help you. We make referrals for personal or marriage counseling, legal assistance, support groups, and other emergency services.

**SOMEONE TO TALK TO IN CONFIDENCE:** Our hotline workers are trained to offer you understanding, respect, and emotional support in a non-judging manner. Call us when you're feeling lonely, anxious, worried, upset, or overwhelmed by something in your life.

**HELP IN A CRISIS:** If it's an emergency you know that someone at Headrest will be immediately available to give you personal support, and help you contact additional resources. We are a suicide prevention hotline, and have special expertise in handling crises involving the use of alcohol and other drugs.

**EMERGENCY LODGING:** Temporary emergency shelter is offered to those who need to take a break from a stressful living situation, and those who have nowhere else to go. Supervised overnight lodging for intoxicated persons is funded by the NH and VT Offices of Alcohol and Drug Abuse Prevention.

**ALCOHOL & DRUG ABUSE PROGRAMS:** We offer information, educational presentations, and individual and family counseling about substance abuse issues. New for 1987 is a NH state grant for outpatient substance abuse counseling.

We welcome your comments, suggestions, and questions about our services so we can be responsive to the needs of the community. Feel free to contact us at 448-4872, the business line; or 448-4400, the Hotline. Thank you.

Administrative Director

## REPORT OF THE TOWN CLOCK COMMITTEE

The Enfield Clock Association raised \$4998.89 through donations and fund raisers.

The association spent \$1,870.08 to repair the Lapan building tower and has committed \$3,000 to pay for the remainder of the improvements and painting. With this commitment, the bell will be turned over to the Town.

So at this point, all the pieces for the clock are owned by the Town!

A structural analysis was completed for the Whitney Hall tower by Rist-Frost Associates, P.C., Consulting Engineers. The projected weight estimate used the bell, weights, clock mechanism and the old clock tower to provide an estimate of a heaviest possible weight load. In the event all this weight were used/erected, additional timbers should be laminated from the foundation up. If the projected weight were reduced the additional timbers may not be necessary.

Alternative concepts for the clock placement on Whitney Hall are now being evaluated by an architect. Further information will be available for Town Meeting.

A pledge of approximately \$10,000 has been made by a Lebanon resident to assist in making the project a reality. This pledge is contingent upon matching funds, acceptable design and the pledge money to be the last spent.

The Board of Selectmen and Budget Committee have endorsed a \$10,000 appropriation in this year's budget to comply with the pledge condition and rejuvenate this important portion of our town history. This \$10,000 appropriation is a warrant article, however, because the Selectmen desire the citizen input on this issue in particular.

Citizen involvement and commitment has been very good and is appreciated by all.

Association members are Bob Clark, Jeanette Haarala, Carol Keating, Evelyn Palmer, Wesley Palmer, Peter Russell and Frans Strandberg; much clock investigation has been done by Rev. Arthur Childs.

## GRAFTON COUNTY COMMISSIONERS' REPORT

We appreciate the opportunity to submit the following report in our continuing effort to directly communicate with our constituents, realizing your concerns and our accountability for a fiscally conservative budget.

We have heard that budget message and continually strive to meet mandated and essential services in the most efficient and effective, yet economical manner possible. This has been reflected in tight county budgets the last two years, resulting in decreased county tax requirements. Some towns may have seen increased county taxes due to evaluation and apportionment formula used by the N.H. Dept. of Revenue Administration. However, public services at the county level still usually reflect more equitable distribution of tax dollars. County tax averages 6.2% of base property taxes.

The county is facing the same problems in the insurance market as the towns. However, we have joined in the N.H. Municipal Association's insurance programs for most coverage needs at reasonable cost. We shall also have to deal with the loss of Revenue Sharing funds in the next budget.

It is too early to make a comprehensive report on the new welfare system under Senate Bill-1. We do know that with the change in program liabilities, county costs will substantially increase, and towns should realize a decrease in welfare assistance payments. County focus under SB-1 is to serve the needs of the children, the elderly and disabled. Because the north county is growing with changing needs, growth in the elderly population, and expanded service requirements, we must look to the future to meet those needs.

The House of Correction occupancy figures have grown dramatically due to week-end sentencing, new DWI laws, and continuous one year sentencing to avoid incarceration at state prison, causing overcrowding at the Correctional facility. One option now under consideration is the construction of a two story dormitory type addition for 30 beds. The result would be a net increase of 18 beds meeting space standards under a plan in line with previous jail study recommendations, and at far less cost than a new facility.

The farm continues to be self-supporting, provides work for inmates, and offers access for experimental projects. The Register of Deeds net profit margin is 3.6% of county revenues. The Sheriff's Dept. provides essential services in transport, superior court, dispatch, and other law enforcement activities, with increased revenue in fees. The Nursing Home is one of the finest in the state.

We are proud of our county; of the dedicated staff, exemplary services and high standard facilities. Commissioners meet weekly, and encourage public attendance. We welcome facility tours. Our thanks and appreciation to all.

GRAFTON COUNTY COMMISSIONERS:

Dorothy Campion-Corcoran, Chairperson; Arthur E. Snell, Clerk;  
Leonard F. Anderson, Commissioner
